PREPARED BY: Stephanie Pratt, Staff Analyst *SP*

MEETING DATE: October 5, 2026

SUBJECT: Current and Future Proposals

SUMMARY

This is a consent item for information purposes only. Accordingly, if interested, the Commission is invited to pull this item for additional discussion with the concurrence of the Chair. No formal action will be taken as part of this item.

This report summarizes all current and future boundary change proposals. There are currently zero active proposals on file and three anticipated new proposals that are expected to be submitted in the future. A summary follows.

Anticipated Proposals

Materials Diversion Facility Annexation to the City of Napa

Staff from the City of Napa has inquired about annexation of approximately 2.9 acres of unincorporated territory comprising a portion of a parcel owned identified as APN 057-090-060. The purpose of annexation is to expand the City's existing materials diversion facility operations. The property is located outside the City of Napa's SOI and in proximity to the City of American Canyon's boundary. Annexation to the City of Napa is allowed given the property is owned by the City and will be used by the City for municipal purposes.¹ It is anticipated a proposal for annexation will be submitted in the future, but there is no immediate timetable.
