SUBJECT: Second Quarter Budget Report for Fiscal Year 2007-2008
(Consent: Action)

The Commission will receive a second quarter budget report for the 2007-2008 fiscal year. The budget report summarizes overall expenses through the second quarter and is being presented to the Commission to receive and file.

The Commission's annual operating costs are funded by the County of Napa and the Cities of American Canyon, Calistoga, Napa, St. Helena, and the Town of Yountville. State law provides that the County is responsible for 50% of the Commission's operating costs. The remaining 50% of the Commission's operating costs are proportionally shared by the five cities based on a weighted calculation of population and general tax revenues. Each agency is responsible for paying their share of the Commission's adopted budget at the beginning of each fiscal year. It is the practice of the Commission to only budget operating costs.

The Commission's annual budget is divided into three units: 1) salaries and benefits; 2) services and supplies; and 3) contingencies. The Commission practices bottom-line accounting. This allows for shortfalls within individual accounts in the salaries and benefits and services and supplies units as long as the overall balance remains positive. Funds may not be drawn from the contingencies unit without Commission approval.

Discussion

The second quarter of the Commission's 2007-2008 fiscal year ended on December 31, 2007. Overall expenses through the second quarter totaled \$123,430. This amount represents one-third of the adopted budget (not including contingency funds) with half of the fiscal year complete. An overview of total expenses through the second quarter within the Commission's three budget units follows.

Salaries and Benefits

At the end of the second quarter the Commission expended \$72,569 on salaries and benefits. This amount represents 28% of the total amount budgeted, as amended, in the seven affected accounts for the fiscal year. Savings have been accumulating in several of the accounts due to the vacancy of the analyst position. All accounts finished the second quarter with balances at or above 50%.

Services and Supplies

At the end of the second quarter the Commission expended \$50,861 on services and supplies. This amount represents 41% of the total amount budgeted, as amended, in the 14 affected accounts for the fiscal year. Five accounts – memberships, publications and notices, property lease, training, and private vehicle miles – finished the second quarter with balances below 50%. A summary of expenses in these five accounts follows.

Memberships

The membership account covers the Commission's annual due for the California Association of Local Agency Formation Commissions (CALAFCO). The Commission's budgeted membership due for CALAFCO in 2007-2008 is \$2,000, which was paid in full during the first quarter.

Publications and Notices

The publications and notices account covers the Commission's legal noticing requirements for all public hearings. Through the second quarter the Commission expended \$1,058 in this account, which represents approximately 71% percent of the total amount budgeted for the fiscal year. A modest shortfall is expected to occur in this account. Expected savings in the salaries and benefits unit will be used to cover this anticipated shortfall.

Property Lease

The property lease account covers the Commission's lease for office space at 1700 Second Street, Suite 268 in Napa. The Commission's current lease provides a fixed monthly rate of \$2,250 through June 2009. The total lease amount for the fiscal year (\$27,000) has been encumbered by the County Auditor's Office for the purpose of simplifying payment to the landlord.

Training

The training account is used for a variety of instructional activities for staff and Commissioners. Through the second quarter the Commission expended \$2,594 in this account, which represents approximately 65% of the total amount budgeted for the fiscal year. The majority of expenses in this account occurred in the first quarter from registration costs for the 2007 CALAFCO Annual Conference, which was held in Sacramento and attended by two staff and four Commissioners. Remaining funds are sufficient to cover the registration costs for staff to attend the CALAFCO Workshop, which is scheduled for April 2-4 in San Jose. No other training activities are currently planned.

Private Vehicle Miles

This account provides reimbursement to staff and Commissioners for automobile travel associated with official LAFCO business. Through the second quarter the Commission expended \$935 in this account, which represents approximately 94% percent of the total amount budgeted for the fiscal year. A modest shortfall is expected to occur in this account. Expected savings in the salaries and benefits unit will be used to cover this anticipated shortfall.

Contingencies

Through the second quarter the Commission has not drawn funds from its two budgeted contingency accounts, professional services reserve (\$50,000) and operating reserve (\$37,879). It is not expected that the Commission will draw funds from either contingency account during the remainder of the fiscal year.

Summary

The Commission is currently on course to finish the 2007-2008 fiscal year with excess operating funds in all three of its budget units. All unexpended funds will be returned to the agencies along with any other revenues, such as application fees, in the form of credits towards their calculated share of the Commission's operating costs in 2008-2009.

Recommendation

It is recommended that the Commission take the following action:

- 1) Receive and file the "Second Quarter Budget Report for Fiscal Year 2007-2008."

Respectfully submitted,

Keene Simonds
Executive Officer
