a) **Commission Policy Update: Appointment of Chair and Vice-Chair**

The Commission will consider adopting a proposed amendment to its policy on the appointment of Chair and Vice-Chair. The proposed policy amendment would change the commencement dates for the Chair and Vice-Chair positions from January 1st to May 1st each calendar year to be in alignment with the Napa County City Selection Committee's process for making membership appointments to the Commission.

b) Commission Policy Update: Commissioner Stipends

The Commission will consider making changes to its policy regarding stipend payments for commissioners to attend meetings and trainings relating to LAFCO business.

c) Garfield Lane No. 4 Annexation to the Napa Sanitation District

The Commission will consider a landowner petition to annex a 1.0 acre incorporated parcel to the Napa Sanitation District. The subject parcel is located at 40 Garfield Lane in the City of Napa. The purpose of the proposed annexation is to facilitate the residential development of the subject parcel as contemplated in the applicant's tentatively approved development project. The proposal is exempt from CEQA under Public Resources Code Section 15332. The recommended action is for the Commission to adopt a resolution approving the proposal with standard terms and conditions.

d) Legislative Report

The Commission will receive an update on pending legislation affecting LAFCOs and consider authorizing the Executive Officer to sign letters in support or opposition of any locally relevant bills as desired.

7. PUBLIC HEARING ITEMS

Any member of the public may address the Commission with respect to a scheduled public hearing item. Comments should be limited to no more than five minutes unless additional time is permitted by the Chair.

a) Final Budget for Fiscal Year 2015-2016

The Commission will consider adopting a final budget setting operational expenses and revenues for 2015-2016. The recommended final budget is nearly identical to the proposed budget adopted in April and subsequently circulated for public review. Operating expenses total \$525,683 and represents a 2.2% increase over the current fiscal year. Operating revenues total \$482,444 and represents an 8.6% decrease over the current fiscal year. The anticipated shortfall – (\$43,239) – would be covered by agency reserves. Adoption of a final budget is not a project under the California Environmental Quality Act (CEQA). The recommended action is for the Commission to adopt a resolution approving the final budget for 2015-2016.

b) Sphere of Influence Update for the Napa Sanitation District
