Agenda Item No. 5b (Consent)

March 23, 2009

TO: Local Agency Formation Commission

FROM: Keene Simonds, Executive Officer

SUBJECT: Amendment to Adopted Fee Schedule

The Commission will consider amendments to its adopted fee schedule to reflect new filing charges for the California Department of Fish and Game for lead agencies under the California Environmental Quality Act.

California Government Code Section 56383 authorizes the Local Agency Formation Commission of Napa County ("Commission") to establish a schedule of fees for the costs of carrying out its prescribed regulatory and planning responsibilities. This includes itemizing third-party costs associated with processing proposals.

A. Discussion

Staff was recently notified by the County of Napa Assessor-Recorder's Office that certain fees associated with filing a Notice of Determination have been increased for lead agencies under the California Environmental Quality Act (CEQA). A summary of these new filing fees are summarized below:

Filing Fee Type	Old Fee	New Fee
Negative Declaration	\$1,876.75	\$1,993.00
Mitigated Negative Declaration	\$1,876.75	\$1,993.00
Environmental Impact Report	\$2,606.75	\$2,768.25

B. Analysis

The new fees associated with filing a Notice of Determination will be passed on directly to applicants as needed. Accordingly, there is no new impact on the Commission.

C. Recommendation

It is recommended that the Commission take the following action:

- 1) Approve the attached draft amendment to its adopted fee schedule.

Respectfully submitted,

Keene Simonds
Executive Officer

Schedule of Fees and Deposits

ATTACHMENT ONE

Effective Date: April 6, 2009

Deleted: August 1, 2008

The policy of the Commission is:

1. This fee schedule shall be administered in accordance with the provisions of California Government Code §56383.
2. Applications submitted to the Commission shall be accompanied by a non-refundable initial fee as detailed in this schedule.
3. Applicants are responsible for any fees or charges incurred by the Commission or required by other agencies in the course of the processing of an application.
4. Initial fees include a fixed number of staff hours as detailed in the fee schedule or are designated as "at cost."
5. Additional Commission staff time shall be charged to the applicant at an hourly rate of \$97.00.
6. Applicants are responsible for any extraordinary administrative costs as determined by the Executive Officer and detailed for the applicant in a written statement.
7. Additional Commission staff time and administrative costs shall not be charged for city annexation applications that are comprised solely of one, entire unincorporated island.
8. If the Executive Officer estimates that a proposal will require more than 20 hours staff time to complete, he or she shall provide a written statement to that effect to the applicant and request a deposit in an amount sufficient to cover anticipated costs. If this or any subsequent deposit proves insufficient, the Executive Officer shall provide an accounting of expenditures and request deposit of additional funds.
9. If the processing of an application requires the Commission contract from another agency or from a private firm or individual for services that are beyond the normal scope of staff work (such as the drafting of an Environmental Impact Report or Comprehensive Fiscal Analysis), the applicant shall be responsible for all costs associated with that contract. The applicant will provide the Commission with a deposit sufficient to cover the cost of the contract.
10. The Executive Officer may stop work on any proposal until the applicant submits a requested deposit.
11. Written appeal of fees and/or deposits, specifying the reason for the appeal, may be submitted to the Commission prior to the submission of an application or prior to the submission of a deposit requested by the Executive Officer. The appeal will be considered at the next regular meeting of the Commission.
12. Upon completion of a project, the Executive Officer shall issue to the applicant a statement detailing all expenditures from a deposit for additional time and materials and shall have a refund for any remaining funds issued to the applicant.
