b) [Proposal to Reorganize the Napa Berryessa Resort Improvement District into the Napa Berryessa Community Services District](#)

The Commission will consider (a) initiating and (b) approving a proposal to reorganize the Napa Berryessa Resort Improvement District into a new community services district with the same boundary, duties, powers, assets, and liabilities. The reorganization is consistent with the recommendation of a municipal service review for the affected region and would position the agency to provide additional services – subject to future approval – consistent with the evolving needs of the community. Reorganization is also expected to facilitate transitioning governance from a dependent board, comprised of the County of Napa Board of Supervisors, to an independent board, comprised of locally elected registered voters.

c) [Proposed Budget for Fiscal Year 2011-2012](#)

The Commission will consider adopting a proposed budget setting operating expenses and revenues for the 2011-2012 fiscal year. The proposed budget is identical to a draft approved by the Commission in February and subsequently circulated for review. Budgeted expenses total \$422,522; an amount that represents a 2.2% increase over the current fiscal year. Budgeted revenues total \$395,441 with the remaining shortfall (\$27,081) to be covered by drawing down on agency reserves.
