ATTENTION: LAFCO Commissioners,

May I introduce myself Carol Black, Trustee of the Ramona West Family Trust. We own the property at 330 Silverado Trail (adjacent to Saratoga Dr) 4.48 Acres of a County Island within the City Limits.

We are very much interested in being brought into the City Limits and as soon as possible. In order to settle our Trust with the beneficiaries we will want to sell the said properties for future development. Being in the City Limits will be a great advantage.

Thank you for your immediate attention to this need to bring the County Islands into the City Limits.
