SUBJECT: Current and Future Proposals

SUMMARY

This is a consent item for information purposes only. Accordingly, if interested, the Commission is invited to pull this item for additional discussion with the concurrence of the Chair. No formal action will be taken as part of this item.

This report summarizes all current and future boundary change proposals. There are currently four active proposals on file and seven anticipated new proposals that are expected to be submitted in the future. A summary follows.

Active Proposals

Partrick Road/Borrette Lane No. 3 Annexation to NSD

The landowner of one parcel located at 1200 Partrick Road in the City of Napa submitted an application to annex the parcel to the Napa Sanitation District (NSD). The parcel is developed with one single-family residence and a vineyard. The parcel is identified as Assessor Parcel Number 041-490-005 and is approximately 4.0 acres in size. Annexation to NSD would facilitate the expansion of the existing residence to include additional bedrooms and bathrooms, and would not involve removal of the vineyard or additional residential units. It is anticipated the Commission will consider action on the proposal at its April 3, 2023 meeting.

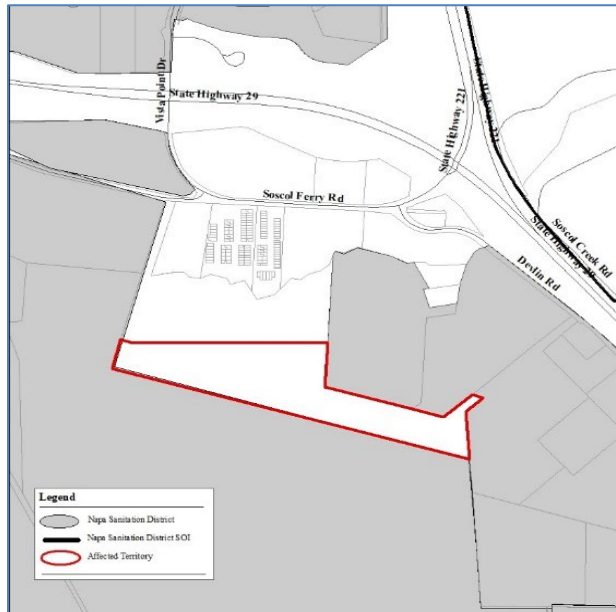

Sierra Avenue/Villa Lane Annexation to NSD

A representative for the landowner of two parcels located at 1185 Sierra Avenue in the City of Napa submitted an application to annex the parcels to NSD. The parcels are identified as Assessor Parcel Numbers 038-250-035 & -037 and total approximately 10.5 acres in size. The parcels were previously used as the Vintage High School's former farm site. The purpose of the annexation is to facilitate the planned Vintage Ranch Subdivision residential project. The submitted application is considered incomplete until the necessary CEQA documents are completed. It is anticipated the Commission will consider action on the proposal as early as its June 5, 2023 meeting.

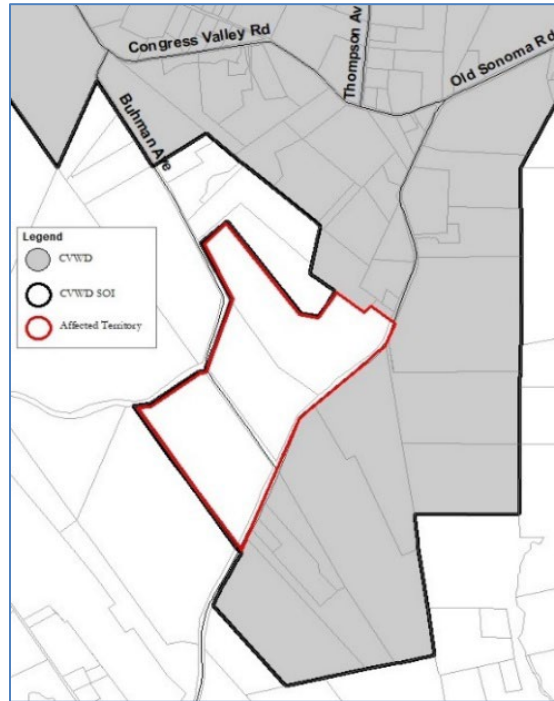

Devlin Road No. 6 Annexation to NSD

A representative for the landowner of one unincorporated parcel submitted an application to annex the parcel to NSD. The parcel is undeveloped, identified as Assessor Parcel Number 057-170-024, has no situs address, and is approximately 27.5 acres in size. Annexation to NSD would facilitate the Nova Business Park North project, which will include industrial land uses. The proposal is on hold until CEQA requirements related to the proposed annexation have been satisfied.

Old Sonoma Road/Buhman Avenue Annexation to CVWD

A landowner previously submitted a proposal to annex three unincorporated parcels totaling approximately 141.5 acres in size to the Congress Valley Water District (CVWD). The parcels are located along the northwestern side of Old Sonoma Road at its intersection with Buhman Avenue and identified as Assessor Parcel Numbers 047-030-005, 047-030-020, and 047-080-001. Current land uses include two single-family residences and commercial vineyards with auxiliary structures and facilities. Two of the parcels already receive water service through grandfathered outside service agreements. Annexation would establish permanent water service to all three parcels. CVWD has requested, and the landowners have agreed, to postpone LAFCO action. There is no current timetable.

Anticipated Proposals

3090 Browns Valley Road Annexation to the City of Napa and NSD

The City of Napa is expected to adopt a resolution of application to initiate the annexation of, at a minimum, one unincorporated parcel located at 3090 Browns Valley Road. Land use within the parcel is limited to one single-family residence. The parcel is approximately 3.8 acres in size, identified as Assessor Parcel Number 041-170-009, and located within an unincorporated island referred to as “Browns Valley/Kingston”. The proposal will involve annexation to the City, annexation to NSD, and detachment from CSA No. 4. The City has invited other landowners within the island to join the annexation. The underlying purpose of annexation of 3090 Browns Valley Road is to facilitate a planned subdivision totaling 12 single-family residences consistent with the City’s rezoning assignments. The proposal is expected to be submitted in the near future.

Vintage High School Farm SOI Amendment and Annexation Involving the City of Napa and NSD

The Napa Valley Unified School District (NVUSD) has inquired about a sphere of influence (SOI) amendment and annexation of approximately 12.8 acres of unincorporated territory involving the City of Napa and NSD. The territory is contiguous to the City of Napa near the eastern terminus of Trower Avenue and identified as Assessor Parcel Number 038-240-020. The parcel is currently undeveloped and designated for residential land use under the County of Napa General Plan. The purpose of the SOI amendment and annexation is to facilitate the planned relocation of NVUSD's educational farm near Vintage High School. It is anticipated a proposal for annexation will be submitted in the future, but there is no current timetable.

7140 & 7150 Berryessa-Knoxville Road Annexation to SFWD

A landowner has inquired about annexation of one entire unincorporated parcel and a portion of a second unincorporated parcel totaling approximately 7.9 acres in size to the Spanish Flat Water District (SFWD). The parcels were recently added to SFWD's sphere of influence (SOI), are located at 7140 and 7150 Berryessa-Knoxville Road, and identified as Assessor Parcel Numbers 019-280-004 (entire) and 019-280-006 (portion). Current land uses within the parcels include a commercial boat and recreational vehicle storage facility (Lakeview Boat Storage), approximately 6,000 square feet of enclosed storage structures, an administrative office, and a detached single-family residence. The parcels are currently dependent on private water and septic systems to support existing uses. Annexation would facilitate the connection of existing uses to SFWD's water and sewer services. It is anticipated a proposal for annexation will be submitted in the future, but there is no current timetable.

NCRCDD Donut Hole Annexation

Staff from the Napa County Resource Conservation District (NCRCDD) has inquired about annexation of approximately 1,300 acres of incorporated territory located in the City of Napa. This area comprises the only remaining territory located within NCRCDD's SOI but outside its jurisdictional boundary, and is commonly referred to as a "donut hole". The purpose of annexation would be to allow NCRCDD to expand its service programs and hold public meetings within the affected territory; activities that are currently prohibited within the area. In February 2020, the Commission approved a request for a waiver of LAFCO's proposal processing fees. It is anticipated a proposal for annexation will be submitted in the future, but there is no current timetable.

Materials Diversion Facility Annexation to the City of Napa

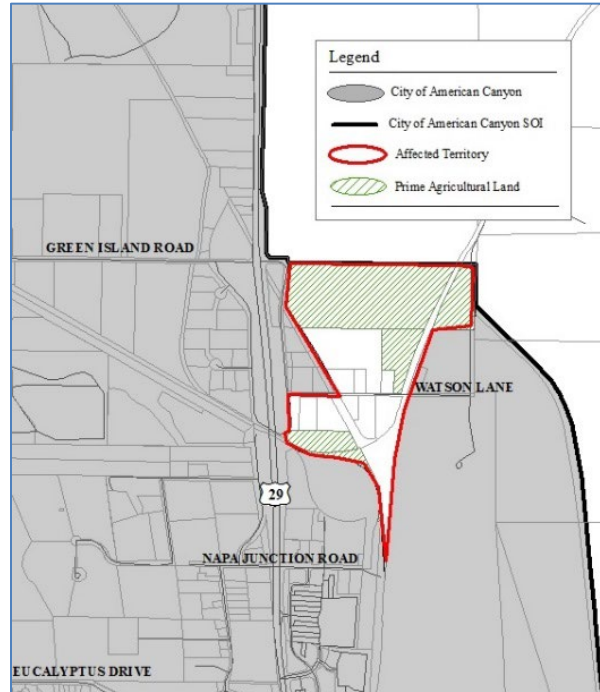

Staff from the City of Napa has inquired about annexation of approximately 2.9 acres of unincorporated territory comprising a portion of an approximate 35.0-acre parcel currently owned by the Napa-Vallejo Waste Management Authority. The current Assessor Parcel Number is 057-090-060. A property sale and a lot line adjustment are contemplated to create new parcels. The purpose of the property acquisition and future annexation is to expand the City's existing materials diversion facility operations. The property is located outside the City of Napa's SOI near the City of American Canyon. Annexation to the City of Napa is allowed given the property is owned by the City and soon will be used by the City for municipal purposes.¹ It is anticipated a proposal for annexation will be submitted in the future, but there is no current timetable.

¹ See [California Government Code §56742](#).

Watson Lane/Paoli Loop Annexation to the City of American Canyon

The City of American Canyon is expected to submit an application to annex 16 parcels and a portion of railroad totaling approximately 77.7 acres of unincorporated territory. The area is located within the City's SOI near Watson Lane and Paoli Loop and identified as Assessor Parcel Numbers 057-120-014, -015, -017, -028, -034, -036, -041, -045, -047, -048, -049, -050, & -051, 057-180-014 & -015, and 059-020-036. The area is within the American Canyon Fire Protection District's boundary. The purpose of annexation is to allow development of the area for industrial and residential purposes as well as help facilitate the extension of Newell Drive to South Kelly Road. It is anticipated a proposal for annexation will be submitted in 2023.

Wastewater Treatment Plant Annexation to NBRID

Staff from the Napa Berryessa Resort Improvement District (NBRID) has inquired about annexation of two unincorporated parcels totaling approximately 101 acres in size that serve as the location of the District's wastewater treatment plant facilities. The parcels were recently added to NBRID's SOI, are owned by NBRID, and are identified as Assessor Parcel Numbers 019-220-028 & -038. Annexation would be for purposes of reducing NBRID's annual property tax burden. It is anticipated a proposal for annexation will be submitted in the future, but there is no current timetable.
